PT Freeport Indonesia Receives Good Mining Practice Award at ASEAN Mineral Awards 2023

Phnom Penh – PT Freeport Indonesia (PTFI) was honored with the *Good Mining Practice Metallic Mineral* award at the ASEAN Mineral Awards 2023 held in Phnom Penh, Cambodia, on Thursday (23/11/2023) local time.

In this edition of the ASEAN Mineral Awards 2023, PTFI participated under the theme "*Navigating the Complexities of Managing the World's Biggest Underground Mine Operations in Indonesia.*" The competition involved various mining companies representing ASEAN countries, and these companies went through an initial selection process conducted by the relevant ministries in their respective countries.

"This participation demonstrates PT Freeport Indonesia's (PTFI) commitment to promoting good mining practices in the ASEAN region. It is done by creating equal space and opportunities for dialogue and sharing information on workplace safety, technical mining regulations, environmental management, and sustainable community development," said the Senior Vice President Underground Mine at PT Freeport Indonesia (PTFI), **Hengky Rumbino**.

The competition winners were officially announced during the Gala Dinner at Hotel Shoka, Phnom Penh, Cambodia. The award assessment involved the evaluation of proposals and presentations to a jury representing 11 ASEAN countries.

Acting Director General of Mineral and Coal at the Ministry of Energy and Mineral Resources, Lieutenant General (Ret.) **Bambang Suswanto**, expressed special appreciation to PTFI and all winners during the Gala Dinner. "Congratulations to PT Freeport Indonesia for representing Indonesia and being the best company in implementing good mining principles," he said.

Bambang continued, "We hope that more mining companies in Indonesia will implement the same principles and conduct their business sustainably for a better future in mining."

Hengky also added PTFI's victory in the *Good Mining Practice Metallic Mineral* category reflects the application of SINCERE values (*Safety, Integrity, Commitment, Respect, and Excellence*) practiced by all PTFI employees daily. "This award is a positive appreciation that should serve as motivation for us to continue prioritizing good mining operations, in line with the core values of SINCERE," said Hengky.
